Inspired by faith and guided by wisdom, our children soar!

December 21, 2017

Dear St. Joseph Regional Catholic School Family,

It seems as though I just wrote the Thanksgiving letter and here we are just a few days away from Christmas. It has been a joyous Advent season with the family celebration and blessing of our new gym floor, the wonderful Christmas program put on by the students with the help of their very dedicated teachers and wonderful staging help from parents. The teachers keep the students involved presenting fun and educational programs and activities in their individual classes.

It continues to put a smile on my face when I see children skipping into the building because they are so happy to be here. I feel very blessed when parents reach out to help and go above and well beyond expectations, and when the teachers put in extra-long days to make sure students are getting what they need. These things demonstrate to all of us and to the community at large what a wonderful place our school is.

In the months ahead there will be much to look forward to, such as Catholic Schools Week, the school-wide spelling bee, ski club, a January open house for people interested in seeing our school, programs that will utilize our new gym floor and of course the Auction/Gala in March.

Wishing you a joyous Christmas and many blessings for the New Year!
