

Children's Scholarship Fund

New Hampshire

Dear Parents, School Leaders, and Friends,

As of January 1, 2016, our program became part of [Children's Scholarship Fund](#) (CSF) and our transition has been a success! We are honored to provide scholarships to empower low-income New Hampshire families to choose the schools that best fit their children's needs, regardless of their income or zip code.

Businesses and individuals donating to CSF to fund scholarships for low- and middle-income K-12 children in New Hampshire can receive an 85% Education Tax Credit from the State of New Hampshire against business profits tax (BPT), business enterprise tax (BET), and interest and dividends tax (I&D).

Businesses must postmark their [Education Tax Credit Application](#) by May 31, 2021 to take advantage of the Education Tax Credit this year!

Parents and School Leaders: We know you have a lot of questions about the scholarship awards, and it has been such a pleasure to be able to speak with so many of you about your students, our mission and work.

Here is our timetable regarding scholarship awards:

- 2. We will notify applicants that have been awarded a scholarship by August 2020.**

Thank you for the opportunity to be of service!
