

Mrs. Garcia

Preschool Lead Teacher 3

Mrs. Garcia, is the Preschool Lead Teacher 3 at St. Joseph Regional Catholic School, Salem, NH. She joined the St. Joe's family in 2021, while seeking a school that she could make her long-term second home. She attended a Catholic school while growing up and her teachers were the reason why she entered the profession. They made learning fun, taught important life lessons, and remain some of her biggest cheerleaders. She strives to make the same impact.

Mrs. Garcia teaches our preschool 3-4 students. She has been working in the education field for almost 20 years and holds a degree in Elementary Education. She is continuing her education at Granite State College, taking online courses in Early Childhood Education and currently holds 100 credits.

Her work experience includes working for the Salem School District as a building-based (K-5) substitute teacher and as a Para II certified Kindergarten Instructional Assistant. She has also owned and operated a licensed child care program in MA, has supported children with special needs as a Special Education Assistant, and has worked as a lead preschool teacher for several years. In addition to her work experience, she has also helped teach faith formation classes at Mary Queen of Peace.

Mrs. Garcia is a devoted wife and proud mother of 4 children. She enjoys spending time with her family, going to the beach in the summer, going to the mountains in the fall/winter, and writing. She has written articles for Salem Life Magazine and hopes to publish children's books one day!
